

# That's hot.

## What's that?

### Your @broncs.utpa.edu e-mail address works on Hotmail®!

Oh, and it works on MSN® Messenger and MSN Spaces® too. And, if you have a web-enabled cell phone, you can get your @broncs.utpa.edu e-mail there too.<sup>1</sup>

UTPA is participating in the MSN College & University Program. That means you can use Hotmail as your university e-mail account. Lots of storage. Easy to use. Fights spam.

We like it. Hope you do to.

Your @broncs.utpa.edu e-mail address works here. No kidding.

<sup>1</sup> For mobile access to Hotmail, wireless carrier service charges may apply. Capabilities may vary from market to market.

Your Broncs e-mail address also gets you into MSN Messenger.

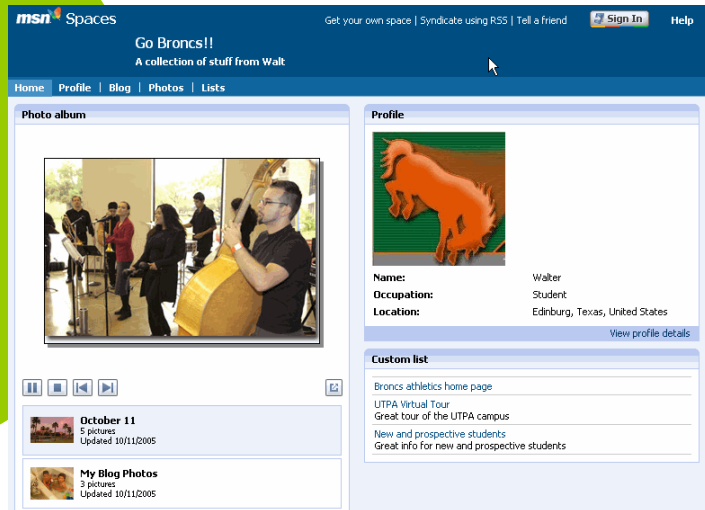

IM mom and dad to ask for money 😊.

Have a free Video Conversation with a friend.<sup>2</sup>

Creating an MSN Space is très cool.

You can log onto MSN Spaces with your Broncs e-mail account.

MSN Spaces (n. pl. *em ess en spay suhs* – from Latin “*spatium*”).

[UTPA message here]

<sup>2</sup> Voice and Video Conversation are free when using MSN Messenger 7.0. Microphones and speakers are required for Voice and Video Conversation. Web cameras are also required for Video Conversation.
